FOREWORD

This handbook is issued under the authority of DoD Instruction 4105.59, "DoD Plant Cognizance Program," October 24, 1983. Its purpose is to list the components assigned to provide contract administration services (CAS) within designated geographic areas and at specified contractor plants.

DoD 4105.59-H, "DoD Directory of Contract Administration Services Components," dated January 1985 is hereby canceled.

This handbook applies to the Office of the Secretary of Defense (OSD), the Military Departments, the Organization of the Joint Chiefs of Staff (OJCS), the Unified and Specified Commands, the Defense Agencies, and activities administratively supported by OSD (hereafter called "DoD Components").

This handbook is effective immediately and is mandatory for use of all DoD Components. Heads of DoD Components may issue supplementary instructions only when necessary to provide for unique requirements within their respective Components.

Requests for adjustments to plant cognizance assignments shall be referred through DoD Component channels to the Deputy Under Secretary of Defense (Acquisition Management), Office of the Under Secretary of Defense for Research and Engineering, the Pentagon, Washington, D. C. 20301-3060. Administrative changes such as new addresses or telephone numbers, may be sent directly to the DLA, DLA-AO, Cameron Station, Alexandria, Virginia 22304-6100.

This handbook is distributed to DoD Components requiring the performance of CAS. It is also available to non-DoD organizations upon request. Instructions for submitting requests for changes in initial distribution and for additional copies are contained on the inside of the front cover.

ROBERT E. BARNES
Deputy Director
Contract Administration

READEX FICHE best copy available

SUMMARY OF CHANGES

This revision includes various administrative changes and the following significant changes:

a. DCASPRO Harris is added as CAS Code 18 for cognizance of Harris Corp, Melbourne, FL.

b. DCASPRO Rockwell Int'l MSD is added as CAS Code 19 for cognizance of Rockwell Int'l, Missile Systems Division, Duluth, GA.

c. DCASPRO Northrop is added as CAS Code 45 for cognizance of Northrop Corp., Defense Systems Division, Rolling Meadows, IL.

d. DCASPRO AM General is added as CAS Code 46 for cognizance of AM General Corp., South Bend, IN.

e. NRCO Naples is added as CAS Code 360 for cognizance of contracts at Rockwell Collins and Oto Melora in Italy.

f. The procedure for determining the cognizant CAS component overseas on pages vi through viii of the handbook is revised. The basis for this revision, Deputy Under Secretary of Defense (Acquisition Management) Memorandum of 5 April 1985, subject: Policy for Contract Administration Services Overseas, is included as Appendix A.

g. Section VI is added which contains the Master List of Contractors for Negotiated Advance Agreements for Independent Research and Development and Bid and Proposal Costs.

INTRODUCTION

A. As described by DoD Instruction 4105.59, "DoD Plant Cognizance Program," and FAR 42.202, the listed organizations are the DoD offices authorized to provide CAS at their assigned contractor locations when field services are needed. CAS functions include: quality assurance (inspection, acceptance); engineering support; production management (progress monitoring, capability assessments); contract administration (overhead negotiations, pricing), property administration and plant clearance; safety and flight operations; transportation management; and contractor payment.

B. The services of DoD CAS components may be utilized by other Federal Agencies and U.S. Government Corporations by direct request to the cognizant DoD CAS components indicated herein. These services may also be utilized by foreign governments and international organizations by submitting requests to the Defense Contract Administration Services Region, New York, 201 Varick St., New York, New York 10014-4811 (Attention: Central Control Point). Reimbursement is normally required for CAS rendered to non-DoD organizations.

C. This Handbook lists the components engaged in the performance of CAS.

1. Section I of the Handbook is a list of DoD CAS components with their CAS code numbers, mailing addresses, telephone numbers, and DODAAD codes. The DoD CAS components are assigned CAS codes in numerical sequence within the following blocks of numbers: DCAS--1 through 199, Army--200 through 299, Navy--300 through 399, Air Force--400 through 499, and Defense Fuel Supply Center-DLA--500 through 510. CAS codes assigned to the CAS components listed in section I are used in section II to designate the component cognizant of each geographic area, city, or plant/facility listed herein. This enables the user of the directory to refer directly to section I for all available information concerning the CAS components identified by CAS codes in section II. DODAAD codes are provided to facilitate the interchange of information required by DoD 4105.63M, Military Standard Contract Administration Procedures.

2. Section II, part 1 of the Handbook is a listing which identifies, by state, the CAS code of the CAS component cognizant of a geographical area or location or of a specific contractor's facility for referral to section I. In each state where geographical cognizance is apportioned among two or more DCAS components, the principal cities are listed and ZIP code assignments by DCAS component are included. When the contractor's ZIP code is known, the ZIP code listings will provide an accurate determination of the cognizant DCAS component, particularly for localities not listed in the Handbook and for large metropolitan areas for which geographical delineation is difficult.

3. Section II, parts 2 and 3, of the Handbook, are listings by country, to identify the CAS code of the CAS component cognizant of a geographical area or a specific contractor's location for referral to section I.

4. Section III is a listing of the Corporate Administrative Contracting Officers within the DoD. These designated personnel are listed in alphabetical order by corporation name.

5. Section IV is a listing of Contract Audit Coordinators and Contact Points within the DCAA. These designated personnel are listed in alphabetical order by corporation name.

6. Section V is a listing of civilian agencies which provide specialized field support services to contracting activities through cross-servicing arrangements.

7. Section VI is the master list of contractors for Negotiated Advance Agreements for Independent Research and Development and Bid and Proposal Costs.

DETERMINATION OF COGNIZANT CAS COMPONENT

A. Contractors located in the United States.

1. In section II, part 1, refer to the state in which the contractor is located. Note that for certain states listings of cities in alphabetical order are included but for most states these listings are not required.

a. If the contractor is specifically listed, by name and location, use the CAS code indicated.

b. If the contractor is included in the general category of "Educational Institutions," use the CAS code indicated.

c. If the contractor is not listed, use the CAS code indicated for the state or city in which the contractor is located, or if the contractor's ZIP code is known, refer to the ZIP code listing which follows the city listing in selected states and use the CAS code indicated.

2. With the CAS code identified, refer to the corresponding code in section I for the name, address, and telephone number of the cognizant CAS component.

B. Contractors located Overseas (except Petroleum Products).

1. Pursuant to Deputy Under Secretary of Defense (Acquisition Management) Memorandum of 5 April 1985, policies and responsibilities concerning delegations of CAS performance overseas include:

a. Military Services and Defense Agencies will be responsible for obtaining or, if necessary, providing their own CAS on overseas contracts under the procedures set forth in paragraph 2 below.

b. The establishment of additional overseas CAS activities by the Military Services or DLA is discouraged; however, when such offices must be established, every effort should be made to administer contracts of other Military Services and Defense Agencies.

c. Commander, U.S. European Command and Commander-in-Chief, Pacific, shall, upon request, attempt to locate a source to provide requested CAS overseas using existing host nation reciprocal agreement to the maximum extent possible.

d. Overseas DoD CAS components shall make every attempt to use existing host nation reciprocal agreements to accommodate requests for CAS from U.S. contracting officers where practicable.

e. U.S. buying activities requiring CAS overseas shall:

(1) Provide funds to cover such costs as travel and per diem incurred by overseas activities when such services are beyond their normal mission responsibilities.

(2) Provide funds to cover host nation CAS performed under reimbursable reciprocal CAS agreements.

f. Under e(1) and e(2) above, Administrative contracting officers must contact the procuring contracting officers to obtain funding prior to finalizing a support administration delegation where such costs are involved.

2. In Section II, Part 2, refer to the country in which the contractor is located.

a. If the contractor is specifically listed, or is included in the general category of "Educational Institutions," use the CAS code indicated.

b. If the contractor is not specifically listed, but is located in Ascension Islands, Bahama Islands, Bermuda, Caribbean, Central America, Greenland, Iceland, Marianna, and Marshall Islands, Mexico, Puerto Rico, South America, or Virgin Islands, use the CAS code indicated.

c. If the contractor is not specifically listed but is located in countries other than those listed above, the following applies:

(1) For contracts and subcontracts of the Military Services, select the CAS code of the component of the respective Military Service issuing the contract, or

(2) For contracts of Defense Agencies and non-DoD organizations, select the CAS code of the component near the overseas contractor's facility and inquire whether that CAS component can furnish the required services, or

(3) If attempts in accordance with subparagraphs (1) and (2) above are unsuccessful, contact one of the following named organizations for assistance in locating needed services through other sources such as reciprocal host nation CAS agreements or U.S. technical personnel stationed overseas:

--- Europe/Near East/North Africa
HQ U.S. European Command
ATTN: ECJ4/7-LOS
APO New York, New York 09128
(Message address: USCICEUR Vaihingen,
Germany/ECJ4/7-LOS) AUTOVON: 430-7292

--- Asia/Pacific
Chairman Joint Acquisition Coordinating Board
U.S. Commander-in-Chief/Pacific (J42)
Camp H.M. Smith, Hawaii 96861

(4) If CAS support is not located, the buying activity must arrange its own CAS on a temporary duty or permanent change of station basis. Use of a certificate of conformance may be considered when the criteria spelled out in FAR 46-504 are met.

d. With the CAS code identified, refer to the corresponding code in section I for the name, address, and telephone number of the cognizant CAS component.

C. Contractors located Overseas (Petroleum Products Only).

1. In section II, part 3, refer to the country in which the contractor is located and use the CAS code indicated.

2. With the CAS code identified, refer to the corresponding code in section I for the name, address and telephone number for the cognizant CAS component.

DISTRIBUTION OF PROCUREMENT DOCUMENTS

Activities requiring the performance of contract administration services shall distribute procurement documents (each contract and modification) and/or requests for service in accordance with the provisions of FAR and DoD FAR Supplement Part 4, Sub part 4.2, i.e.:

1. Five copies to the DoD CAS component cognizant of a specific contractor's facility or of the geographic area in which the facility is located as designated by the CAS code.

2. One copy to the appropriate payment office when required.

3. One copy to the ADP point of DoD CAS component when the DoDAAD code of the CAS component ADP point as shown herein is different from either the code shown for the CAS component or for the payment office. To facilitate the proper routing of the procurement document, the name and address of the ADP point is shown herein.

4. Exception: Only two copies need to be distributed when performance of a single CAS function (e.g., quality assurance, transportation, or property administration) is requested by non-DoD organizations and by DoD activities retaining categories of contracts listed in DoD FAR Supplement 42.203 for performance of administration at the purchasing office. When performance of a single function has been requested and additional functions are subsequently desired, the balance of the distribution requirement of five copies shall be completed. Other contractual documents and correspondence related to CAS matters shall likewise be addressed to the designated DoD CAS component. That office will effect further distribution of copies as required.

Note--In those cases where a contractor administers the contract at a facility other than the place of manufacture, such a contract shall be assigned to the DoD CAS component cognizant of the contractor's facility where the contractor's administration is performed. Pursuant to FAR 42.204, the component thus assigned shall request, from the DoD CAS component cognizant of the place of manufacture, that performance of CAS usually performed at such locations. Individual requests for quality assurance and transportation support are not required in those cases where specific distribution of the contract was made in accordance with DoD FAR Supplement 4.201(f). However, in order to be responsive to quality assurance and transportation requirements of the contract, the cognizant DoD CAS component at the place of manufacture must receive two copies of the contract concurrently with the office administering the contract.

SECTION V
CIVILIAN AGENCIES PROVIDING FIELD CONTRACT SUPPORT

In compliance with FAR 42, Contract Administration, paragraph 42.102, specialized support services from Civilian agencies are available to contracting activities through cross- servicing arrangements. Requests for the specialized support services listed below should be sent directly to the office identified with the service:

1. Quality Assurance support to all Federal agency centralized procurement of drugs under the Government-wide quality assurance program for medical products.

Department of Health and Human Services
Public Health Service
Food and Drug Administration
Medical Products Quality Assurance Staff
Rockville, Maryland 20857

2. Quality Assurance Program and Specification System for all food procured by Federal agencies in the United States and quality assurance inspections for all food other than seafood procured by Federal agencies.

United States Department of Agriculture
Food Quality Assurance Division
Food Safety and Quality Service
Washington, DC 20250

3. Quality assurance origin inspection for all seafood procured by Federal agencies.

United States Department of Commerce
NOAA/NMFS
Seafood Quality and Inspection Division
Page Building 2 - Room 383
3300 Whitehaven Street, NW
Washington, DC 20235-0002

4. Cross-Servicing as listed on pages 46, 47, 148 and 149 of the GS Directory, titled U.S. Government Inspection and Testing Laboratories.

Veterans Administration
Department of Medicine and Surgery
Director, Supply Service
Washington, DC 20420

Other civilian agencies which desire to be included in this Section pursuant to FAR, paragraph 42.102 should provide appropriate information to the Defense Logistics Agency, ATTN: DLA-AO, Cameron Station, Alexandria, VA 23304-6100.

SECTION VI

MASTER LIST OF CONTRACTORS FOR NEGOTIATED ADVANCE AGREEMENTS FOR INDEPENDENT RESEARCH AND DEVELOPMENT AND BID AND PROPOSAL COSTS

This section contains a revised master list for informational purposes of contractors requiring lead agency negotiation of advance agreements for Independent Research and Development and Bid Proposal costs (FAR SUBPART 42.10).

Questions as to assignments of negotiation cognizance and inclusion or exclusion of contractors on the master list should be directed the respective Department as follows:

Air Force: Headquarters, Air Force Systems Command, Attn: AFSC/PKMO, Andrews Air Force Base, Maryland 20334-5000.

Army: Commander, Army Materiel Command, Department of the Army, Attn: AMCPP-SC, 5001 Eisenhower Avenue, Alexandria, Virginia 22333-0001.

Navy: Office of Naval Acquisition Support, Attn: Director, Navy Triservice (ONAS 0224), Washington, D.C. 20360-5000.

DEPUTY ASSISTANT SECRETARY OF THE AIR FORCE (ACQUISITION
MANAGEMENT)
DIRECTORS OF DEFENSE AGENCIES
COMMANDER, US EUROPEAN COMMAND (J4)
COMMANDER-IN-CHIEF PACIFIC (J4)

SUBJECT: Policy for Contract Administration Services Overseas

This policy letter pertains only to contract administration services (CAS), which includes quality assurance services, and is effective immediately.

A. Background

In recent years there has been an increase in DoD contracting overseas and this trend is expected to continue. As a result, requirements for CAS overseas are expected to increase. Recent surveys indicate that requirements for CAS are usually small, sporatic, and unpredictable. Therefore, it is not cost effective to establish a network of CAS offices overseas similar to that currently existing in the U.S. This policy letter has been developed to provide interim policy and guidance until firm requirements for overseas CAS are established.

B. Policy

1. Military Services and the Defense Agencies will be responsible for obtaining or, if necessary, providing their own CAS on overseas contracts using the procedures set forth in paragraph D below.

2. Establishment of additional overseas CAS activities by the Military Services or DLA is discouraged; however, when such offices must be established, every effort should be made to administer contracts of other Services and Defense Agencies.

C. Responsibilities

1. Commander, US European Command (EUCOM) and Commander-in-Chief, Pacific (CINCPAC) shall;

a. Upon request from U.S. contracting officers, attempt to locate a source to provide required CAS overseas using existing host nation reciprocal agreements to the maximum extent feasible.

b. Upon request from the Director, Contract Policy and Administration, Office of the Secretary of Defense, arrange for a review of the capability of a host nation to perform contract administration and/or quality assurance on U.S. contracts. USEUCOM (for Europe/Near East/North Africa) and CINCPAC (for the Pacific Area) shall be responsible for coordinating the reviews with host nations and arranging for performance of the reviews by in-theatre personnel.

c. Through the Joint Acquisition Coordinating Boards provide assistance, advice, findings and recommendations to the Office of the Secretary of Defense, through service channels, on such matters as:

1. Policies and procedures to improve the effectiveness of Contract Administration activities overseas.

2. Specific actions or projects directed toward improving the coordination of contract administration tasks overseas.

3. Policies concerning the development and training of host nation contract administration personnel.

d. Gather the information shown on Enclosure 1 from each CAS activity in their area and annually submit the information for each nation under geographic cognizance having a reciprocal agreement to perform CAS. This information is to be submitted directly to Director, International Acquisitions, Office of the Secretary of Defense, Washington, D.C. 20301-3060 by February 15th of each year. OSD RCS number DD-DR&E(A) 1634 shall be used for reporting this information.

2. U. S. buying activities requiring CAS services overseas shall:

a. Provide funds to cover such costs as travel and per diem incurred by overseas activities when such services are beyond their normal mission responsibilities. (Note -- ACO's must contact PCOs to obtain funding prior to committing to supporting contract administration where such costs are involved.)

b. Provide funds to cover host nation CAS services under reimburseable reciprocal CAS agreements.

3. Overseas DoD CAS components listed in Section II, Part 2 of DoD 4105.59-H "Directory of DoD Contract Administration Services Components" shall, upon request from U.S. contracting officers, make every attempt to accommodate requests for CAS using existing host nation reciprocal agreements.

4. Director, Defense Logistics Agency (DLA) shall annually submit data in the format on Enclosure 2 for CAS provided in the U.S. for each nation with which we have a reciprocal agreement. The report shall be submitted by February 15th each year directly to Director, International Acquisitions, Office of the Secretary of Defense, Washington, D.C. 20301-3060. OSD RCS number DD-DR&E(A) 1634 shall be used for reporting this information.

D. Procedures

1. U.S. Procuring Contracting Officers (PCOs) or Administrative Contracting Officers (ACOs) needing overseas CAS shall:

a. Request CAS in accordance with DoD 4105.59-H if responsibility for the facility or area is already assigned.

b. Where no responsible CAS activity exists, consider use of a certificate of conformance (COC) when the criteria spelled out in FAR 46-504 are met.

c. If use of a COC is not feasible and a CAS activity listed in DoD 4105.59-H is near the overseas contractor facility, inquire directly whether that activity can furnish the required services.

d. If attempts in accordance with a. b. and c. are unsuccessful, contact one of the following organizations which have agreed to assist buying activities in locating needed services through other sources such as reciprocal CAS agreements with other countries or U.S. technical personnel stationed overseas:

Europe/Near East/North Africa area -- HQ U.S. European Command (USEUCOM)
ATTN: ECJ4/7-LOS
APO New York, New York 09128

Asia/Pacific area -- Chairman, Joint Acquisition Coordinating Board
USCINCPAC (J42)
Camp H. M. Smith, Hawaii 96861
ATTN: CDR. P. M. Cogswell, SC, USN, J424

e. Secure appropriate funding when CAS services are provided on a reimbursable basis.

f. If help is not located, the requesting activity must arrange for its own CAS on a TDY or PCS basis.

2. DoD 4105.59-H will be revised to reflect the above procedures.

MARY ANN GILLEECE
DEPUTY UNDER SECRETARY
(ACQUISITION MANAGEMENT)
